Note:

This Table uses data from URS/DIG Table 2a, Table 2b and from the U.S. Census Bureau.

All denominators use U.S. Census data from 2000.

U.S. Totals are calculated uniquely for each data element based on only those states who reported numerator (clients served) data.

State Notes:

2a The "Others/Unknown" category includes a count of clients reported with unknown race origin as well as clients reported with no acceptable indication of race (i.e. null values contained in the race field).

2b None

Note:

Note: This Table uses data from 2 sources: DIG Table 5a, 5b (Hispanic Origin), DIG Table 2a (Total Served), and Table 2b (Hispanic Origin Total Served)
Data is based on duplicated counts

State Notes:

2a The "Others/Unknown" category includes a count of clients reported with unknown race origin as well as clients reported with no acceptable indication of race (i.e. null values contained in the race field).

2b None

5a Totals include "other," "no response" and any indication of payment by Medicare/Medicaid, even if not included in a "race" group. The ARORA database, through the payment source field, does not differentiate between Medicaid and Medicare payments. They are grouped together. The numbers in these tables reflect a combination of Medicaid/Medicare and Non-Medicaid/Non-Medicare counts. It was preferred this data be submitted rather than to submit a blank table.

5b The ARORA database, through the payment source field, does not differentiate between Medicaid and Medicare payments. They are grouped together. The numbers in these tables reflect a combination of Medicaid/Medicare and Non-Medicaid/Non-Medicare counts. It was preferred this data be submitted rather than to submit a blank table.
